

Spirit is Me

It's not the part that you can see,
But it's the **BIGGEST** part of me.
Always was and always will be,
My Spirit is what's truly me.

No, it's not the part that your eyes can see,
But it's the **GREATEST** part of me.
One with God and God one with me,
My spirit is my deity.

It's never the part human eyes can see,
But still the most **POWERFUL** part of me.
Commanding life forth purposefully,
My Spirit is my creativity.

SPIRIT IS ME
